

## Annual Meeting January 31, 11:15 Overview

This Annual meeting, January 31 2021 at 11:15 will not be a normal meeting. We will be meeting over Zoom with folks who are unable to join by zoom welcomed by reservation to be present in fellowship hall wearing a mask. If you wish to reserve a spot in fellowship hall please call 845-452-0684. Because our by-laws do not permit for a virtual meeting, when the way be clear we will have to meet again and ratify all actions. We will still need a quorum of 25 members for our zoom meeting though.

As the moderator I have asked that all presented information and reports be shortened to what is only absolutely necessary. Full reports are being made available on-line. While the annual meeting is normally an opportunity to educate the congregation and for the congregation to ask questions of the church, I am hoping that most questions can be asked before the meeting or after. The logistics of a Zoom meeting present some difficulties and I am hoping to keep the meeting as short as possible in part for the safety of any people who are present in Fellowship Hall. Like many things you do for the first time, the real fear is about what we do not know and unforeseen problems.

Please look through the reports posted before the meeting and feel free to ask questions of me, or of the committee or person who wrote the report.

Thank you for your understanding and patience in this Annual Meeting process.

Most Sincerely,

Paul Lent  
Moderator
